

## Assignment 4

Please make sure for each java problem you solve, at the top in a comment block(see chapter 1 of the book), you make note of who you are, what the problem is, and how you plan on solving it.

**Set 1** (Please Print out and bring to class):

1. Create a program that rolls a dice 3 times (create a method named rollDie()) and prints out the results each time it rolls. Name the program Dice.java
2. The following song is by **The Doors** and is titled I Looked at You Lyrics. Write a program that displays the lyrics to the screen. Use functions to eliminate redundancy. Name the program Doors.java

I looked at you  
You looked me  
I smiled at you  
You smiled at me

And we're on our way  
No we can't turn back, babe  
Yeah, we're on our way  
And we can't turn back

'Cause it's too late  
Too late, too late  
Too late, too late

And we're on our way  
No we can't turn back, babe  
Yeah, we're on our way

And we can't turn back, yeah

I walked with you  
You walked with me  
I talked to you  
You talked to me

And we're on our way  
No we can't turn back, yeah  
Yeah, we're on our way  
And we can't turn back, yeah

'Cause it's too late  
Too late, too late  
Too late, too late

And we're on our way  
No we can't turn back  
Yeah, we're on our way  
And we can't turn back

'Cause it's too late  
Too late, too late  
Too late, too late
